Kanawha Seed Company, Inc.

617 Virginia Street - Charleston, W. Va.

[One Door Below Summers Street]

DOUBLE TESTED SEEDS

The management of the KANAWHA SEED COMPANY is conducted by a man of several years of active experience in the selecting and dispensing of FIELD and GARDEN SEEDS, and great care is taken in the selecting of our seeds for the trade. Only seeds that show high germination and purity tests are secured from the best seed growers in the country. Then we TEST each variety that comes into the house before we offer them to the trade, making DOUBLE SURE that we are selling you seeds that will grow, thus eliminating re-planting, and assuring you earlier vegetables from your garden.

Charleston, W. Va.,
October 18th, 1919.

Dear Sir:—

I have been farming for thirty-one years. The last two years I have purchased seed from you, and I have never had any better success with garden seed, than I have had in the last two years.

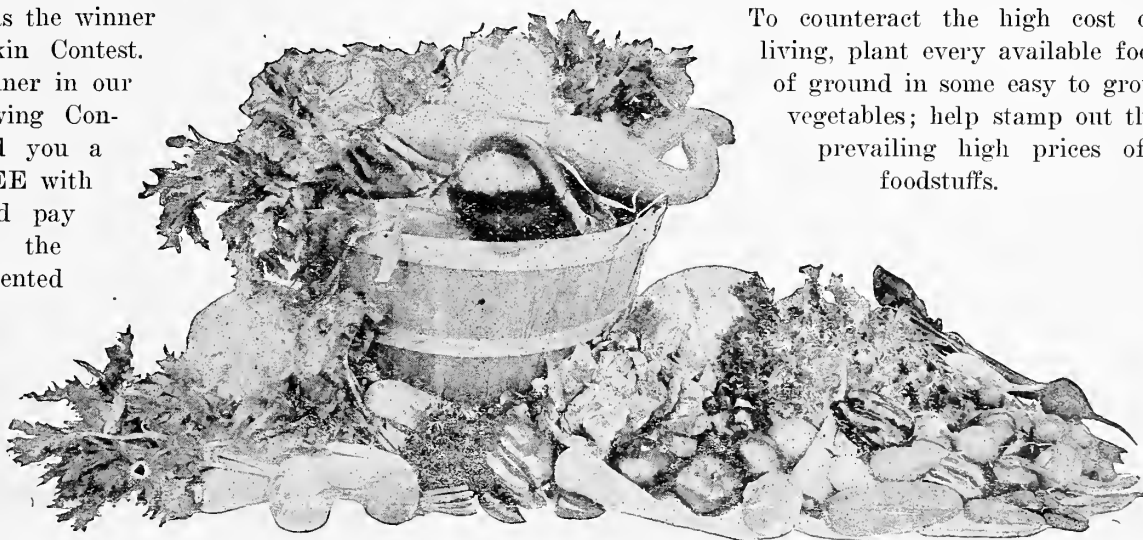

OTTO HOLMES.

Cedar Grove, W. Va.
October 27th, 1919

Am very glad that I received some of your seeds, they were very fine, and I wish that I had some more of them. I received the first prize in the Pumpkin contest at the Fair, and the seeds came from you.

WALTER W. WALKER.

THEO. M. HEIS was the winner in our 1919 Pumpkin Contest. Will you be the winner in our 1920 Pumpkin Growing Contest? We will send you a package of seed FREE with your first order and pay \$10.00 CASH for the largest Pumpkin presented to us during season.

To counteract the high cost of living, plant every available foot of ground in some easy to grow vegetables; help stamp out the prevailing high prices of foodstuffs.
